

Berry Nice

Serves: 1

Profitability:

Steps:

Fill a cocktail glass with ice cubes. Pour the ice cubes into the blender.

Throw your handfull of berries into the blender, along with the milk and sugar syrup.

Blend for approx. 2 minutes or until the mixture is of a drinkable consistency.

Pour directly into your cocktail glass.

Garnish with 2 large straws and a strawberry.

Ingredients:

Handfull of mixed berries (blackberries, raspberries, strawberries)

100ml milk

Ice cubes

10ml Sugar syrup

Blender

Large cocktail glass
