

Big Boys Milkshake

Serves: 1

Profitability:

Steps:

First start by filling your large collins glass full with ice to start cooling the glass. This is perfect when your glasses are still slightly warm from the washer

Fill your cocktail shaker with ice. Pour in the measures of all your ingredients

Shake well and strain over ice into the cocktail glass

Garnish with chocolate sprinkles and straws

Ingredients:

10ml vodka

10ml Baileys

10ml chocolate liquer

10ml banana liquer

10ml coffe liquer

75-100ml half and half (milk and cream)

Large collins cocktail glass
