

## Bramble

*The Bramble is a short gin cocktail that will appeal to most taste buds. Make it as sweet or as bitter as you like!*

**Serves:** 1

**Profitability:**

**Steps:**

Fill an old fashioned cocktail glass with crushed ice.

Pour the gin, lemon juice and sugar syrup into an ice filled cocktail shaker and shake well.

Pour directly into the cocktail glass you have prepared.

Drizzle the blackberry liqueur over the top. It should give an elegant effect as the liqueur sinks through the crushed ice.

Garnish with a slice of lemon and a straw.

**Ingredients:**

50ml Gin

15ml Blackberry liqueur

25ml Fresh lemon juice

15ml Sugar syrup
